

LDO 6360 (AVIATION ORDNANCE)

DESIGNATOR DESCRIPTION

Aviation Ordnance Limited Duty Officers serve as officer technical managers in the field of operations and maintenance of aviation ordnance and aircraft armament. They manage and direct the activities of aviation ordnance personnel in the performance of aviation operational, test, research, and maintenance functions involving aviation ordnance and aircraft armament; establish new aviation ordnance and armament maintenance procedures and methods; plan, organize, and direct the operation of aviation ordnance activities; and provide technical assistance and advise pertaining to aviation ordnance and armament.

They may serve as, but are not limited only to serving as, weapons branch and division officers, ordnance handling officers, ordnance safety officers, Officers in Charge, unit weapons officers, Executive/Commanding Officers both Aviation and Major Command, in various operational and staff billets.
